ORDER

Re: People v David Raychard Antwine
Docket No. 259860
L.C. No. 04-006518-01

Michael J. Talbot, Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to order transcripts is GRANTED. The transcripts of the proceedings held on November 29, 2004, and December 6, 2004, shall be considered timely ordered. However, inasmuch as the register of actions indicates that sentencing proceedings were held on these additional dates, appellant's counsel is admonished that appellant is responsible for reviewing the register of actions to ensure that the necessary transcripts are ordered at the beginning of the appeal.
